

# Monroe County ISD School Improvement Workshops

Continuous School Improvement Process

Bring your building School Improvement Team to this series of four workshops organized around the four key steps of the School Improvement Process:

## **GATHER—STUDY—PLAN—DO.**

The morning sessions provide the knowledge and tools your team needs to create an effective, workable School Improvement Plan. The optional afternoon Guided Work Sessions give your team time to dig into your own School Improvement Plan, to make progress, and to receive assistance and coaching from MCISD staff. The new *ASSIST* tool from AdvancEd will also be featured and training will be provided at the morning sessions. There is **NO COST** for Monroe County School Improvement Teams.
