Come join Monroe County *Atlas Curriculum Management* software users from around the county at these user group sessions. Learn new tricks and tips for working with the Atlas software, search and analyze curricula in your local and other Atlas systems, and explore Understanding by Design (UbD) strategies for creating great units. Updates to MAISA units will also be highlighted.

The Atlas Users Group is also a forum for county users to share best practices, highlight great units, and collaborate to develop and share great curriculum resources.

Who should attend? Any teacher or administrator wanting to improve his or her use of Atlas for designing, analyzing, and sharing well-crafted curriculum units.

Cost? These sessions are FREE to LEA and MCISD staff.

What to bring? Bring your laptop (and power strip/extension cord) or iPad.

Please register on Coursewhere.

Register for each session individually.
