MESSA Saver Rx

Overview

- A prescription is required for each covered drug, including covered over-the-counter medications.
- You are responsible for prescription copayments until your prescription out-of-pocket maximum is reached.
- Save money by using Optum Rx for home delivery of your medications.
- In most cases, if your doctor writes "Dispense as written" or "DAW," your cost will be higher.
- If the approved amount is less than the copayment, you pay only the approved amount for the drug.
- Specialty medications are handled separately. Specialty drugs must be obtained by mail through Walgreens Specialty Pharmacy or select Walgreens retail pharmacies. If you obtain them from any other provider, you may be responsible for the total cost.
- The initial quantity of select specialty drugs may be limited, and your cost will be reduced accordingly. Additional fills for specialty drugs are limited to a 30-day supply.
- Your prescription plan includes a number of money-saving features, including prior authorization, step therapy and quantity limits.
