Monroe County Middle College

Vision: The vision of Monroe County Middle College is to provide a distinct early/middle college opportunity through a personalized educational experience that transforms students into college and career ready individuals in a supportive environment embedded on a college campus.

Mission: The mission of Monroe County Middle College is to empower students to create their own path while earning their high school diploma and up to 60 college credits, a professional certificate, and/or an Associate's Degree.

In pursuit of this mission, MCMC will...

- Deliver high quality instruction that intentionally prepares our students for college level classes
- Teach students collaboration, communication, self-advocacy, and time management skills
- Develop a 5-year plan with students allowing for personalized educational experiences and gradual entry into college classes
- Provide college and career advising and one-on-one support to all students
- Promote community engagement and responsibility through service

Overview of Monroe County Middle College

Features of our school include:

- Recognized by the State as an Early/Middle College
- A public-school option for high school students
- A gradual entry model for college with a designated mentor during their time at the Middle College
 - One college class in 10th (2nd Semester)
 - Two college classes per semester in 11th
 - Three – four college classes per semester in 12th and 13th
 - This approach allows our students to experience success while taking one class, fostering success in a heavier course load later
- Typically results in higher GPA, potentially greater scholarships, greater self efficacy and much more

Shadowing Opportunity

MCMC hosts several shadows each year. Students who would like to know more about MCMC are welcome to shadow for a day. They may shadow someone they already know, or we can pair them up with someone for the day.

The shadow packet that has all the information to shadow can be found on our website at:

<https://www.monroeisd.us/departments/curriculum/middlecollege/>

Please find the shadow packet under “Student Forms” and follow the directions in the shadow packet to set this up.

Frequently Asked Questions

What is an Early/Middle College? Generally, a five-year high school and college experience where students obtain up to 60 college credits, a high school diploma and possibly an associate degree

Can I still play sports at my local district? Yes, most likely.

How much is tuition? There is no tuition. MCMC is a public school.

What if my student changes his/her mind? Students can enroll at their resident high school.

What about extracurricular activities? Students can participate in activities at their local high school, at MCMC or, once dual enrolled, at MCCC.

Frequently Asked Questions

Do the college credits transfer? Yes, in general. There are always exceptions to universities accepting college credits.

Is there a lot of homework? It depends on the student.

What is the MCMC school calendar? It is normal, but MCMC students must follow the College calendar too when they are dual enrolled.

What about transportation? Transportation is the responsibility of the family.
